**Approval of Minutes:** Approval of minutes

**Welcome Chair:** Kristina Engelsberg

**Principal's Report by Angela Lindsey:**

**Student Rep:**

Mason Engelsberg: ELA testing is wrapping up. And science benchmarks are coming up. Some testing had to be adjusted because of the tropical storm.

**Staff Update:**

- Currently have 90 members on staff, teachers, office, buses, cafeteria, etc.
- No open positions
- Not one positive student Covid case, only a few teachers who had family members who were tested positive or exposed.
- No faculty has not tested positive.
- Have not heard from the district that 3<sup>rd</sup> Q will look any different than 2<sup>nd</sup> Q
- Growing numbers with new families moving in
- Enrollment 841 students = 281 5<sup>th</sup>, 344 7<sup>th</sup>, 216 8<sup>th</sup>
- Benchmark testing will let us know if we get an A rating from the state
- Concerned about the pandemic and the changes with the kids learned at the end of last year, hoping we stay on track to receive the A rating.
- Mrs. Lindsey is adjusting the reading program and putting in place some checks and balances to be able to help the kids get to where they need to be.
- Need to be 62% or higher proficient in all the subjects to get an A rating
- Created an eLearning classroom, today Nov. 16 was the first day this was implemented and went well
- Have \$16,000 budget, some of the money has been spent: \$2,000 on study island. \$2,000 algebra nation, purchased Gateway for Civics, planning on furniture, bulletin boards, roller boards, etc.
- Any budget leftover will go to printing
- Progress reports coming out Thursday Nov. 19<sup>th</sup>
- Algebra help class has been created the struggling students

Mrs. Kersey's question, wanting to include algebra nation for eLearning's

Mrs. Lindsey is hoping that it is implemented sometime within the 2<sup>nd</sup> semester
